(1) The view expressed by the Muzrai Commissioner in para 3 of his letter dated 20th November 1926 is correct and the request of the Swami of the Suthur Mutt that the management of the Sindhuvalli Mutt and its endowment may be made over to him and to his successors permanently cannot be complied with. It is now about 22 years since the properties of the Sindhuvalli Mutt came under the management of Government and during all this period the Mutt has remained without a Head and its disciples have taken no action for appointing a Guru. There is no justification, in these circumstances, for continuing the inams allowed to this Mutt and as the conditions of the inam grant are not complied with and have not been complied with for nearly a quarter of a century the Muzrai Commissioner's proposal to resume the lands to Government and cancel their inam tenure may be approved under Rule 1 of the Chief Commissioner's Notification No. 266 dated 17th November 1877.

(2) The amount to the credit of the Mutt and in the custody of the Government may be brought under Revenue Deposits and dealt with as a lapsed deposit after the prescribed period.

The Matt is endowed with the marginally noted Devadaya Inam lands for its support. In 1905, when it was brought to the notice of Government that the Matt was in a ruined condition, that the Inam lands were being unauthorisedly enjoyed by certain persons at Sindhuvally, and that the object of the grant was not fulfilled etc., Government in their Order No.4602-6/dated 10th June 1905 directed the temporary attachment of the Inam lands with instructions to take them at once under Government management. It was then ordered that the question of their restoration would be considered when the institution was brought into efficient condition and funds accumulated. The above order was immediately given effect to and the lands were arranged to be leased out. From the time the lands came to the management of Government, i.e., from 1905 to the end of June 1921, the net income from these lands is reported to be Rs.1121-0-1, which is credited to the funds of the institution.

On 5th February 1920, one Poottada Sivarathri Swamigalu of Suttur Matt, petitioned the Taluk Amildar, stating that he is desirous of reconstructing the delapidated Matt and reviving the charitable and religious services therein at his own cost if the Matt and its properties are restored to his management etc. The Amildar submitted a detailed report on the facts of the case to the Sub Division Officer on 5th February 1920 and recommended the grant. The Sub Division Officer ordered that the lands referred to above may be left in the charge of the petitioner and that he may also be recognised as the manager or agent to look after the affairs of the Matt. An estimate for the necessary repairs to the building was called for. In submitting an estimate with plan, the Swami of the Suttur Matt (viz, the Petitioner) applied for permission on 3rd April 1920 for the reconstruction of the Matt and permission was granted by the Sub Division Officer on 5th May 1920.

The Sub Division Officer, in submitting the records reports that the petitioner has already completed the foundation work and commenced the superstructure, that the cost required for the completion of the work will be Rs.2210/- as per estimate, and recommends that in view of the petitioner's Charitable disposition, he may be given the amount that is at present available at the credit of the institution viz., Rs.1121-0-1, for the construction of the building, as the Swami has undertaken to pay out of his pocket the other half of the cost required therefor.

As the income derived from the lands granted by Government to the Matt is found insufficient for its maintenance and for feeding the travellers, the Swami offers a wet land for being endowed to the Matt and offers a cash security of 700 Rupees for the fulfilment of these conditions.

The Sub Division Officer states that the Swami (Petitioner) is a respectable and influential gentleman owning extensive landed property and he may be entrusted with the management of the tank with its properties. So that the lands now under Government management may be entrusted to him.

Orders of Government may kindly be obtained in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Mysore District.

Letter No.C.791/24-25 dated 25th June 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"With refernce to your letter No.C.1385 of 1924-25 dated 6th June 1925, calling for submission of further information regarding the affairs of the Sangam Matt at Sindhuvalli, I have the honor to state that there is no Guru presiding over the affairs of the Matt.

I had visited this village and made personal enquiries when I was Sub Division Officer of Nanjangud and I have made enquiries recently also during my tours. There is no unanimity among the local people about the selection of a suitable person as Swamy, and the relatives of the previous Swamy have been trying to secure the properties for their benefit indirectly by appointing one of themselves as Swamy.

I am thereforeof opinion that the Institution may continue under Government management for some time longer, say till the end of the year 1928-29."

Letter No.791/24-25 dated 19th/26th May 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"With reference to Muzrai Secretary's letter No.6601/Muz.627-21 dated 25th May 22 (copy enclosed for reference) regarding the management of the Jangam matt at Sindhuvalli, Nanjangud Taluk, I have the honor to state that a recommendation had been made to Government in this office -- letter No.C.500/21-22, dated 30th March 1922 that the management of the Matt with it's endowed properties might be entrusted to Pattad Sivaratnari Swamigalu of the Suttur Matt, as he in a petition dated 5-2-20 ~~represented~~ represented that he was desirous of reconstructing the dilapidated matt and reviving the charitable and religious services therein at his own cost if the Matt and its properties were entrusted to his management.

Subsequently in April 1922 there were some petitions from certain deciples of the Jangam Matt protesting against the above proposals on the ground that Suttur Swamy had nothing to do with this matt and that its --- management might be vested with the Swamy of the Madhuvana Matt at Mysore etc.,

The Jangam Matt in question is endowed with 51 acres 26 guntas of dry land (Devadaya) in Sindhuvalli village, assessed at Rs.43-5-0. In 1905 when it was brought to the notice of Government that the Matt affairs were being mismanaged and the Inam lands were being enjoyed unauthorisedly by certain persons at Sindhuvalli, Government, in their order No.4602-6/ Muz.dated 10th June 1905 directed to take the institution and its properties under Government management, the question of their restoration to proper persons being reserved for future consideration when the institution was -- brought into efficient condition and funds accumulated.

Since the matt and its properties came under Government management a sum of Rs.1121-0-1 was reported to have accumulated to its credit up to March '22.

The affairs of the institution have not much improved and as there are conflicting views among the villagers about its future management by the Suttur Swamy, I am of opinion that the management may continue under Government for some time more, the question of its being handed over to -- Suttur Swamy as originally proposed being dropped for the present.

I may add in this connection that for some repairs and works execute to the Matt by the Suttur Swamy in anticipation of his getting its manageme he has been paid Rs.338/- and odd as per bill received from the Amildar,

Sir,

With reference to correspondence ending with your letter No.1054/M.F.627-21-8, dated 16th February 1926, regarding the management of the Matha at Sindhuvalli, in the Nanjungud Taluk, I have the honor to forward herewith copies of the* marginally noted letters from the Deputy Commissioner, Mysore District stating that the matha in question is a Jangam (virakta) Matha, that the Swami thereof does not owe allegiance to the Swamigalu of the Murgi Matha at Chitaldrug and that the only way to continue the matha and the charities connected therewith is to hand over the endowed lands to the Suttoor Swami who has consented to efficiently manage the charities supplementing the income by an additional endowment which he wishes to make in favour of the matha.

* Letter dated 6th October 1926
" " 30th May "
" " 13th March "

2. The Matha at Sindhuvalli has been without a Swami and the inam lands have been under Government management since June 1905 and the Murgi Matha would surely have intervened if it had any right about the appointment of a Guru. I do not therefore think that there is any need to consult the Murgi Matha.

3. Originally the Swami of the Suthur Matha said that after rebuilding the Matha at Sindhuvalli, he would appoint a suitable ಉಪಾಧಿ" for conducting the ಧರ್ಮಕಾರ್ಯ" but he says now that the management of the matha and its endowment should be made over to him and to his successors permanently and that in such an

event he would look to the efficient conduct of the charities. This in fact amounts to a total extinction of the original matt and to the establishment of a branch Suttur Matha, which is a sectarian institution (ಪಕ್ಷದಮಠ)

4. In these circumstances, I am of opinion that the lands may be resumed to Government and the inam tenure cancelled.

Letter No.143/A.C. dated 6th October 1926 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

" Jangam Matt-Sindhuvalli- Nanjangud Taluk-Future Management.

In reply to your letter No.1385/24-25 dated 26/29th July 1926 on the above subject, I have the honor to state that it is -- a fact that the descendants of the previous Swami claim the Inam lands belonging to the Matt and that some of the people in Sindhuvalli are backing him up. It is in view of this circumstance that I stated in my letter of the 26th May 1925 that the management may continue under Government for some time longer, the question of its being handed over to Suttoor Swami being dropped for the present. The same view was repeated by me in my letter No.C.791 of 1924-25 dated 25th June 1925.

2. On this letter the Secretary to Government, Revenue Department enquired why the Inam lands should not be given over to some other Institution deserving of support (see his letter No.1054/Muz. 627-21-8 dated 16-2-26 to you) It is in reply to this enquiry that I have recommended in my letter of the 10th March 1926, that such a proposal would amount to extinguishing the institution and

suggested that it would be more desirable to have an arrangement by which the old local charity could be continued. This arrangement namely, handing over the Inam lands to the Suttoor Swami for continuing the Sindhuvalli Matt as a branch and running it properly supplementing the revenue from the Inam lands by the additional endowment which the Swami has promised for this branch, would secure the object of the Government, it was thought, more effectively.

3. In my present proposal the question of the opinion of the villagers does not enter, as it is a case of giving over the lands to another institution but, with this condition, that the said institution would continue the activity which the previous Institution was carrying on at Sindhuvalli, such as Puja on the premises, and feeding travellers and Sangams. I am even now of opinion that this is the only way in which efficient arrangement can be made for the continuance of this Charity."

He has in his reply dated 6th March 1926 agreed to this and promised to endow for it lands yielding 25 palas of paddy, from thelands at his disposal in Suttur matt, to supplement the Sindhuvally Inams.

His communication dated 6-3-1926 is herewith submitted. If the transfer of the Sindhavally properties to this Swami is kindly approved, an old local charity will be continued at Sindhavally.
